We hereby affirm that the insured has a valid Traveller's insurance granted by LocalTapiola.

When being abroad continuously the Traveller's insurance is valid 3 months. The insurance is renewed annually.

LocalTapiola's Traveller's Insurance covers medical expenses and extra costs for repatriation due to an accident or acute illness without an upper limit. The insurance also covers reasonable costs of transportation home in the event of death of the insured while travelling. The insurance also covers e.g.

- necessary fees for simple first-aid treatment in case of acute toothache up to the maximum of 120 euros.
- extra costs for repatriation of the insured if ordered by the physician and negotiated with LocalTapiola

Evacuation cover

The insurance covers reasonable expenses arising from trip interruption when these are the result of a recommendation – in the form of a travel notice – made by a Finnish authority to leave a destination due to it being unsafe.

The insurance also provides coverage for family members under 16 years of age travelling with the insured.

The exact content of the insurance contract is defined on the basis of the insurance policy, travel insurance terms and conditions and general contractual terms and conditions for personal insurance.
